

# Raritan's Synchronized Warranty

## Comprehensive Warranty Coverage for Your Raritan Equipment

Purchasing new Raritan equipment? Wondering how to manage the warranties that you already have along with new ones? With a **Synchronized Warranty**, you can secure coverage for both your current purchases and your existing Raritan equipment under a single policy with a common expiration date – providing you with peace of mind that support for your existing equipment won't just disappear!

### Synchronized Warranty Benefits

- ▶ Comprehensive coverage for past and current purchases
- ▶ Single expiration date for all covered equipment
- ▶ Easy administration with one contract and one expiration date

### Details

To get the most benefit from Raritan's *Synchronized Warranty*:

- ▶ Synchronized Warranty purchase must be for at least three (3) devices or more
- ▶ Synchronized Warranty covers parts and labor, and offers advanced replacement.\* To qualify for advance replacement, products must be registered with Raritan
- ▶ Maximum coverage is five (5) years (including standard and extended warranty periods)
- ▶ Coverage for equipment under Raritan's "Standard" 2-year warranty will begin once the "Standard" warranty period has expired
- ▶ Coverage for equipment under Raritan's "Extended" warranty will be replaced by the Synchronized Warranty
- ▶ Warranties cannot be extended past a product's end of support date. This offer is valid for Raritan hardware equipment sold in the U.S. and Canada only

### Eligible Raritan Equipment, including, but not limited to:

- ▶ Dominion® switches including KX II, SX, KSX II, LX and KXII-101 V2
- ▶ Other Raritan access switches including Paragon II, Master Console CAT, expreZo EZswitch, CompuSwitch, SwitchMan USB and Cat5 Reach
- ▶ PX® Intelligent Rack Power Distribution Units (iPDU)
- ▶ CommandCenter® Secure Gateway (CC-SG), Power IQ® Power Data Center Energy Management Software and dcTrack® Data Center Infrastructure (DCIM) Physical Appliances

**Gain peace of mind, protect your Raritan equipment!**
